# www.USGBC.org/campus

The screenshot shows the USGBC.org/campus website. At the top right, there are links for "Sign In", "Your Account", "USGBC Store", "Directory", and a "Join" button. The main header includes the USGBC logo and navigation tabs for "LEED", "Education", "Resources", "News & Events", "Committees", "Chapters", and "Membership". A search bar is located to the right of these tabs. Below the header, the page is titled "Green Campus Campaign" with the USGBC logo. The main content area is divided into several sections: "Green Campus Campaign Vision", "Know the Facts", "Use LEED as your Roadmap", "Bring it to Scale", and "Start a USGBC Student Group". On the right side, there is a sidebar with links to "Higher Ed FAQs", "Project Profiles", "Higher Ed Update Newsletter", "GreenBuildingEdu", "Presentations", and "Tools to Help You Advocate".

## Green Campus Campaign

# USGBC

**Green Campus Campaign Vision:**  
Green campuses for every college and university

USGBC is working in partnership with students, faculty and administrators to strengthen campus sustainability efforts. Through the campaign, USGBC aims to increase accessibility to LEED for educational facilities and campus development, support student leadership and advocacy efforts and promote sustainability in curriculum.

### Know the Facts

Green buildings don't have to cost more than traditional buildings and greening your campus will save millions in energy, water and other direct and indirect.

### Use LEED as your Roadmap

LEED is USGBC's point based certification program that quantifies how well buildings perform at saving energy, reducing CO2 emissions, reducing water use, fostering a clean environment.

### Bring it to Scale

Streamline the LEED certification process with USGBC's Portfolio Program.

### Start a USGBC Student Group

Champion green building efforts on your campus.

**Higher Ed FAQs**

**Project Profiles**  
Featured Profile: Oak University

**Higher Ed Update Newsletter**  
Sign up today!

**GreenBuildingEdu**  
Enter USGBC's online portal to green building education.

**Presentations**  
Access materials to educate yourself and others about green buildings.

**Tools to Help You Advocate**
